About four years ago I gave my husband some sexy lingerie pictures for our anniversary. They really seemed to turn him on, so I've been doing it every year since then. Well, last year I asked my best girlfriend if she would pose with me and she agreed to it.

Alena

We got our sexiest lingerie and put on. Went to the photographer's studio and did a steamy little photo shoot for him.

A man and a woman are lying on a red surface. The woman is on her side, facing the man, with her back to the camera. She has long, wavy brown hair and is wearing a dark bra. The man is behind her, looking at her with his eyes closed. He has dark hair and a mustache. His hand is resting on her lower back. The scene is intimate and sensual.

My man got so hot looking at the lingerie pics that we made love all night long. I took a long fragrant bath and put on the lingerie from the photos and, for the first time, let him fuck me in the ass. I promised when we got married that I would give up my anal cherry to him, and now I was ready. Even I enjoyed it!

I went to Sweden ten years ago to visit some relatives after a messy divorce with Frank. I met a man there and decided to stay. I promised I would bring him back to the States and now we're back. When I was there, I did a little nude modeling and decided I would continue with it back here.

I found that they are so much more casual about sex in Sweden. Nothing was taboo and so I decided I'd try anal sex again. I had tried it once after my first marriage, but it hurt like the devil. I found out that you have to prepare for it and take it slow. That's just what did not happen the first time. Now, I'm ready for it and make it a part of my lovemaking.

Dear 50+ magazine,

I met Suzanna about six months ago. We began seeing each other within a month or so and enjoyed being together, spending time to be friends first. Suzanna is in her early fifties. She has been divorced for four years and is careful about allowing men in her life. She works out daily and it shows; her ass is perfect, her legs are quite toned, and she has nice round breasts. Just a very lovely woman all around. She has short, layered hair that with highlights in three shades of auburn and blonde. She gets the attention of guys of every age, I've noticed.

We've been dating for several months and as far as we have gotten is hugs and kisses goodnight. We were talking after dinner as we walked toward the car for the drive home when she asked since we've been together for several months now and seem to enjoy each other, was I happy with her. I told her I was and asked the same of her. She said she's enjoyed our friendship more than

To Nikki,

I hope this letter gets to you because I've been a huge fan of yours for years. When I passed the newsstand and saw you on the cover I had to buy it. You are absolutely gorgeous and one of the, if not the, hottest women on the planet. I love your look, especially when I watch you getting fucked. It looks like you truly enjoy it and that makes it even more exciting. I'm jealous of the guys that get to fuck you, because I want to be one of them. I especially want to shove my modest 7" into your mouth and have you look up at me with my cock in it. That's really sexy and exciting. Even though it probably will not happen, I wish we could have a chance to meet one day and share experiences. I'd be the best listener in the world. Prom se

— Charlie C., San Jose

I know. Especially how I've treated her like a lady and been a gentleman. I told her I enjoyed being with her and hoped we would remain friends for life! She laughed and said 'me too!' Then she asked have you seen anyone else since we've been dating. I said I had not. She said neither had she.

As we drove she said she'd been afraid to trust any man since her divorce and hadn't been with anyone since her ex husband. I said I'm not surprised to hear that but I hoped she felt comfortable with me by now. When we got to her home she asked me in so I followed her in and helped her with her coat and she took mine. We sat on the couch in the great room and soon began to kiss.

We had kissed many times before, but this time they were deep, hot, wet passionate kisses. We both were sideways facing each other and soon her skirt was up above the tops of black lace top stockings with lacy garters holding them up and her blouse straining to

They say that 40 is the new 30. I really don't care. Do you? Look at me. A year ago I was selling cheese in Wisconsin with a hairy bush and a minivan. Now, I'm on all new person ready to take on the world. Say that you're ready for me and more like me?

remain buttoned. As we kissed, I slowly moved my hand in contact with the soft skin of her thigh above the stockings and massaged it and her kisses seem to become hungry at my touch – sloppy and wet. I moved my hand up until it reached the underside of her right breast and lightly made circles with my index finger over her breast.

She looked me eye to eye and asked if we were ready to make this a permanent friendship? I

laid down in only her bra and stocking and garter belt and heels which she flipped off

She fell into my arms as we embraced, saying "I have desires I want us to share together." I whispered she can tell me anything and I will try to please her and share her fantasies. She said she wanted to have a three some and maybe meet other couples that we could have foursomes with. "You will always be my first priority. I have waited until I was sure but

the first time. As I kissed and sucked the tissue soft flesh. She was removing the rest of her clothing until she was totally naked when she began sliding my remaining clothes off.

She said, "I have not even seen a cock since my husband, his was a full seven inches. And I loved that part of our marriage, his nice dick filling me up. He used to fuck me hard and deep and I love it like that." I moved her to her back and moved my pelvis to the level of her face and rolled over to where my cock was at her eye level and she got her first look at my nine-inch cock! She practically screamed 'Oh what a big nice cock!'

I straddled her and began rubbing my dripping rock hard cock over her face as she moaned and kissed all over it as I soon got her face covered in hot slick pre cum. It took only another second for it to find its way into her mouth as she began to suck and kiss my cock. I moved off her and lay beside her as she breathed heavily. I moved my hand over her boob down her tight muscled belly and onto her slick shaven mound. As I reached her mound her legs parted

and as my hand went over her mound her legs opened fully.

I was not ready for the steaming hot wet slimy condition her aroused pussy was in. She was fully aroused and her pussy showed it. I rubbed her clit as she squirmed and went into a semi-orgasm from my fingers on her clt. I leaned down and replaced my fingers with my mouth and tongue and lightly licked and kissed it as she increasingly got fully and completely lubricated. I moved my head back a few inches and the lovely sight of her slick pussy ready for sex.

I moved between her legs as she raised herself for me to enter her. We looked into each other's eyes as for the first time as my dick entered her pussy. I whispered in her ear as she gasped, "I've been waiting for this." She moaned, "Me too!" With that, my dick slid inside her, stretching and opening her as it went to the deepest part of her vagina. As I pounded in and out of her, she screamed with each thrust yelling and raising her ass off the bed to meet my cock as it bottomed out in her womb

She climaxed and continued to offer up her cunt to be fucked for more as I kept up the assault on her pussy. Her vocal level was now a steady stream of moans which turned me on even more as I shot off stream after stream of cum into her pussy.

you to fuck me every time we get the chance. I kissed her and said 'agreed!' Suzanna said let's pick the best and get it going. My pussy went way too long to wait any more!

— Landon G., Portland

Editor:

Suzanna was so attractive every day but being fucked she looked angelic with her nipples reddened and her skin ablaze with passion. Her pussy was swollen from the fucking but she wanted more and I was making sure she got four years of fucking from me to make up for the loss of time this sexy woman had endured. She was moaning and yelling in abandon. Then I pulled out and rammed my cock fully into her in one stroke and Suzanna screamed for more

I fucked Suzanna with a steady rhythm until she went limp from multiple orgasms as I reached to top of my own orgasm I pulled my cock out of her gaping pussy and the first stream of cum fired up onto her face. I kept jacking off and cumming until I was empty and lay down beside Suzanna.

Suzanna finally spoke and said from now on I want

It was our first date together and I was so nervous I could almost feel myself shaking like teenager, but I'm 55 I relaxed as I rang her door bell and when she answered I was quite pleased with her looks. She wore a thin white blouse which fit loosely, a black stone washed jean skirt which stopped above her knee, and high heel shoes

As I drove, I spent almost as much time looking at her as at the road. We went from one place to another enjoying ourselves at each place. As the night progressed, we relaxed and moved closer together. Our last stop was a small cafe to get a late night snack. As she sat across the table, I felt her foot gently caressing my leg. I stopped talking and moving for a second, then continued but in a different manner. I didn't discourage her from con-

tinuing so this went on for a few more minutes.

It was about 2 a.m. so I suggested that it was time that I drive her home. As she got up and we walked to the car I realized she had removed her bra when she went to the ladies room. The nipples of her firm 36" breasts gently poked through the blouse begging to be noticed. I let her in the car and walked around the other side and when I entered, I noticed that she had unbuttoned one button from her blouse, exposing the inside of her breast almost completely. When she saw that I had noticed her, she moved toward me and we started kissing, slowly at first and then wildly while we ran our hands all over each others bodies.

I unbuttoned all the buttons all the way down to her skirt then slipped my

hand under her blouse and gently caressed her exposed breast while she unzipped my pants and ran her hands over my growing bulge.

After what seemed like forever, we released each other. I realized we were still in the parking lot of the cafe but really didn't care too much if anyone was watching, but Sandy insisted we move to a more secluded location. Without getting dressed, we drove to her place. I stayed hard the whole way and when arrived my dick was aching to be let free. She freed willy!

I work at a Minnesota construction site where I'm the equipment manager. We get new guys coming through at least one a week, and it's my job to be sure they know how to use them. Some pick up on it right away, others need more training. Then there are the guys that don't care and are just there to pick up a paycheck. That's when I have to spring into action and show them what it takes to use the stuff. After I finish, they do too!

I never imagined that I would get turned on by riding in a Ferris wheel. I was in London with a friend and we went to see some events at the Summer Olympics. After they were over and the crowds left, we went on the London Eye and it was spectacular. Each gondola can hold a couple dozen people but we must have been lucky to

So we're up about a quarter of the way up and I look around and think that no one can see us. I push my friend against the side and undo his pants. I unzip and pull them to his knees while I get on mine. I start sucking him and jacking him off -- they say 'wanking' in England -- by the time we move another half-length, I have him spurting his jizz in my mouth. Yummy.

interesting who you meet on the road keepin' on truckin'

NOT ALL TRUCK STOPS OR TRUCKERS ARE CREATED EQUAL

I'm merging from I-44 to I-55 north in St. Louis headed to Chicago, and I'm pulling 50,000 lbs of cargo in my 18-wheeler with a sleeper cab. The

other day when a slight hill slowed me down, the other cars and trucks behind me wanted to get by. One of them slowed down for some reason right ahead of me causing the second, a nice SUV to slow down and travel next to me at the same speed. I looked down and saw an extreme-

ly pretty gal doing the universal honk-your-airhorn signal by pumping her fist up and down in the air. I pulled it and she smiled at me, glanced nervously at the driver for a second, then looked back at me and puckered her lips in a kissing motion. I just looked at her go past and thought about the moment - did she really do that?

It was getting dark and I needed to stop, eat and sleep. It was just outside Springfield that I found a trucker-friendly stop and pulled in. I had some dinner, cleaned up in one of the restrooms and headed out to bunk in my sleeper for the night. In the morning, I'd be delivering in Chi-town. As I was leaving the rest room and heading back to the truck, I heard footsteps behind me very closely. Turning around to

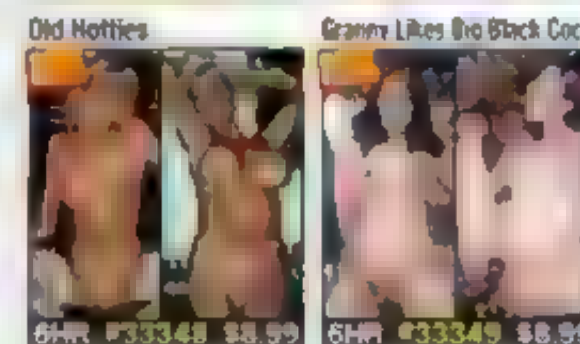

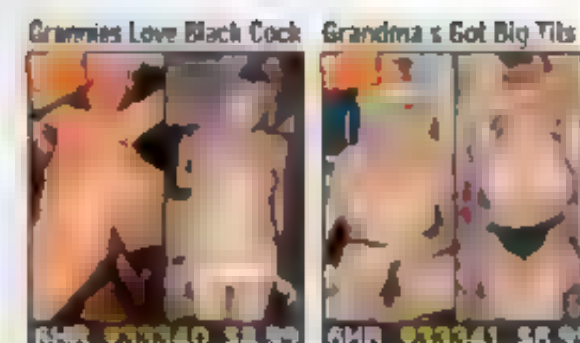

look, the young lady from the SUV was right there! She quickly asked if she could walk with me and see the truck up close and I agreed. Her roommate

(the driver) had developed a headache from their long drive and wanted to stop and take a nap for a couple hours. When he woke up, they would leave.

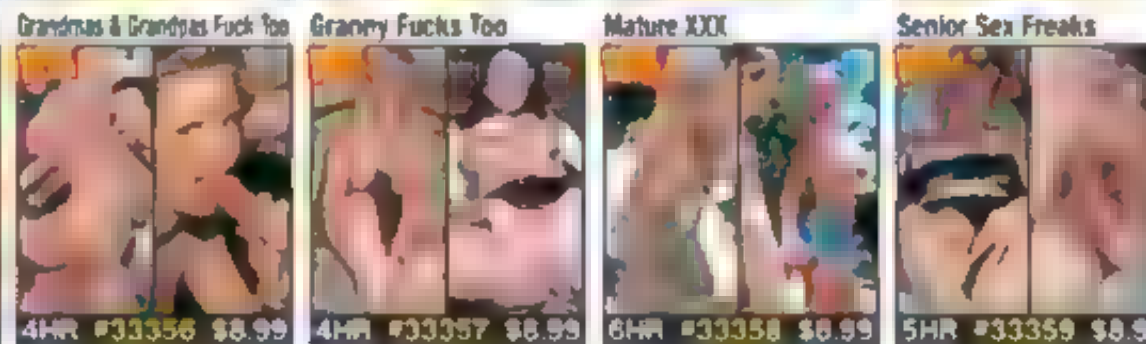

She followed me to the truck and I thought she would then walk back, but when I unlocked the driver's door and opened it to

get in, she jumped up there faster than me and sat in the driver's seat. I have my on-board computer, maps, receipts, CD player, etc., in the passenger seat, so she either had to get out or move back to the sleeper to allow me to get in. When she opened the curtain and popped down on my bunk, I quickly told her to scoot over and I'd come in there with her. So, I'm in a very small and private space with a very attractive and desirable woman, and my body's instincts started taking over and the man-organ started to twitch and engorge slowly. I figured I'd be good, talk for a few minutes, then show her the door and get some sleep. It didn't work out that way, though.

She immediately spotted my pile of movies and zeroed in on one with the large caption 'Adults

Yes, my finger slid right down to the opening of that wonderful honeyhole. I didn't put it inside, but did move enough to coat it liberally with love juice...

Only' on the label. I grabbed the case from her and was ready to open the curtain and show her the door. She then asked if she could see what I had. Before I asked what she meant, out of nowhere, she just grabbed my sweat pants and since I was still standing, she pulled them down. She reached over and tentatively touched my rapidly growing organ, watching how quickly it was changing at her fingertips' stimulation. She smiled a heavenly smile at me and grabbed it rather forcefully, squeezing slightly. That caused an involuntary jerking inside her small fist. Logic and good sense went out the window and I urged her to stroke it easily and slowly. She did for a few seconds, giving me great pleasure. When she put her lips around the engorged head and started moving up and down very slowly while fluttering her tongue, I could no longer contain myself. I told her that I was about to cum and that she should take her mouth off me. She didn't follow those directions and started sucking harder and faster, seeming to enjoy it immensely. She let me spew what seemed to be pent-up gallons of cum into her mouth. She swallowed every drop, even keeping my dick in her mouth a moment or two as it began to wilt away to softness again.

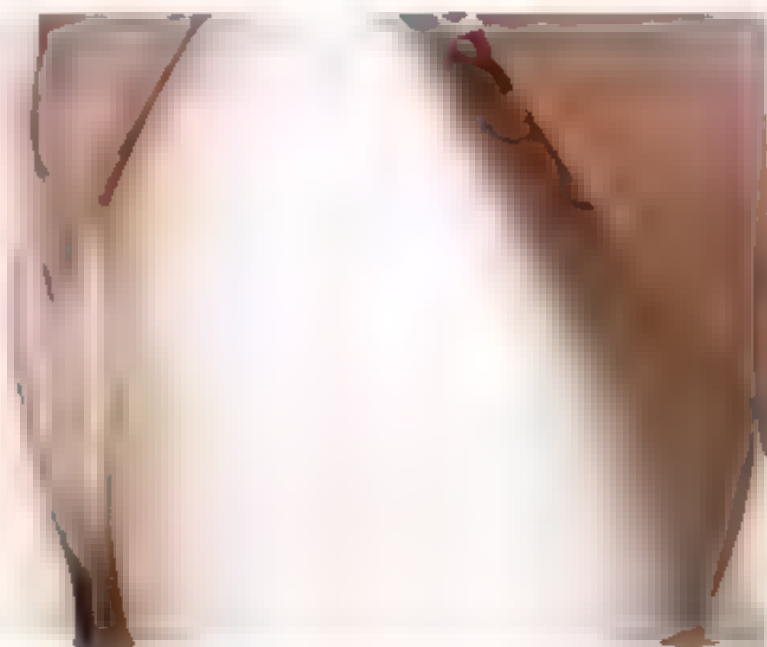

I started by taking off my shirt and lying next to her and kissing her; first close mouthed, then tickling her lips with my tongue until she opened them and started wrestling tongues with me. As we were doing that, I unbuttoned her blouse to find a bare chest. Then I moved one of my hands onto one of her full breasts and started caressing it very lightly, going over the end and circling the nipple with a single finger. It started getting erect and she gave out an involuntary moan. I then moved to the other breast's nipple and did the same, with her starting to squirm

a little more. She drew her mouth from mine and said that I was making her feel tingly all over. I smiled, nodded, and put my now unoccupied lips on the nipple that wasn't being touched. Light flutters of the tongue over and around that beautiful brownish-pink nipple brought more moans, louder and of a longer duration.

Man, was I glad I had parked away from all the other trucks! She started writhing around more. I thought about stopping, calling it a day right here. But that thought passed quickly when she started rubbing her crotch. She couldn't lift her cute ass off the bunk fast enough and start yanking her pants down, wiggling out of her jeans

and the panties at the same time. Damn, I must be dreaming, or else I've died and gone to heaven! I never saw such a beautiful pussy before in my life! It had a sparse covering of fuzz down there. I put my mouth back on her nipple and stroked one finger up the cleft of her pussy lips very softly several times, exerting slightly more pressure and spreading them more each time until my fingertip felt her clit. I let my finger linger there, just wiggling it slightly, then moved it down until I got a real surprise - she was starting to juice like crazy! Yes, my finger slid right down to the opening of that wonderful honeyhole. I didn't put it inside, but did move enough to coat it liberally with love juice, then went back up the slit to her clit.

About two minutes of clit-stroking made her move in ways I hadn't seen in a long time, and the noises emanating from her throat were urging me on. I slowly and gently pulled her puffed up pussy lips apart with my fingers so that the little man in the rowboat stood up in front of. The first flick of the tip of my tongue on her most sensitive part elicited a very audible gasp and an involuntary push of her

She begged me to do more; that she wanted to have that exquisite feeling again. I told her that I'd go slow, or even better, let her get on top so she would be in complete control.

love-mound toward my mouth. So, I did what she wanted, I licked again, slightly more forcefully. More movement, more noise, until she told me to stop. I'd keep going toward my goal, giving her an orgasm in the first degree!

Then I decided to tickle her G-spot with my finger while licking and sucking her clit. Yep, a flood of female secretions allowed my finger to ease slowly inside. I grabbed her clit just barely between my teeth and battered it with my tongue. She squealed and told me to put my finger back in. Again, no further urging was needed. I put two in deeper and sought the G-spot. Firm pressure on it from within toward the outside combined with firm pressure on the outside toward the inside almost immediately did the trick. She started into the tell-tale spasms and convulsions of a full blown orgasm. She begged me to do more; that she wanted to have that exquisite feeling again. I told her that I'd go slow, or even better, let her get on top so she would be in complete control. She hastily stood up and let me lie down on the bunk with my meat sticking straight up in the air, awaiting its purpose in life. She slowly positioned herself to place her legs outside my hips and ease down very slowly by bending her knees and hips. She took my cock in her hands and moved it up and down the outside of her love-crack, stopping for a second or two at the clit, stroking that love-button with the tip, before placing my cockhead at her dripping pussy opening.

Within a few seconds, it was all in. I told her to start moving up slowly, but not so far that my cock popped all the way out, then back down, etc. I wriggled my hand in between us enough to stimulate her love-button while she was doing the pumping. She must have started feeling really good with that additional stimulation, because soon she was moaning more and going faster, bouncing on my hardness like there was

no tomorrow. I told her that she shouldn't go too fast or I would explode again. With my boner expanding to its fullness and throbbing, she started speeding up more. Soon, I'm matching her thrust for thrust, moan for moan, and pulled her down close enough that I could stretch enough to take turns sucking both of her sensitive nipples again. When I sucked and tongued her breasts, she started cumming again, pumping harder and faster. I couldn't hold back either, and we came together on the bunk of my Mack truck, vibrating faintly from the engine throbbing under the hood. She collapsed onto me, stretched up to my mouth, and gave me a kiss that would make your belly button fall off. My dick stopped twitching, her cunt quit its spasms, and she smiled and said, "Wow, that was great, but I need to go now." I looked at my watch and realized that we had been in the bunk for only a half hour, and that her roommate had told her he would sleep for a few hours. She agreed to stay and just talk a few minutes more, remaining on top of me with my semi-erect cock still partially inside her slick, tight pussy.

We made some small talk, laughed and kissed a little more. "Now, I really should go. Thanks a million and remember me. I don't think it could have been better with anyone else at any other time. You were great with me and I loved it," she said, and with that she got off me and pulled her pants and shirt back on. I peeked out of the sleeper berth and saw her walk back over to the car parking area where she entered the passen-

ger side as her roommate still napped. I decided to leave before them. I drove slow enough that they'd have to pass me. When they did, I blew her a kiss and mouthed 'thank you.' We didn't exchange names and I could have taken down the license number of the SUV, but some things are better left alone. The few hours to Chicago passed in an instant.

Tonight, I'm going to pour me a nice glass of wine, perhaps a burgundy, and kick back by the fire with it, and Harvey. He's my not-so-invisible vibrating blue lover. My favorite toy when it's just me at home. I start out on the low setting and when I get a good tingle, I'll move it to medium and when I'm ready to cum,

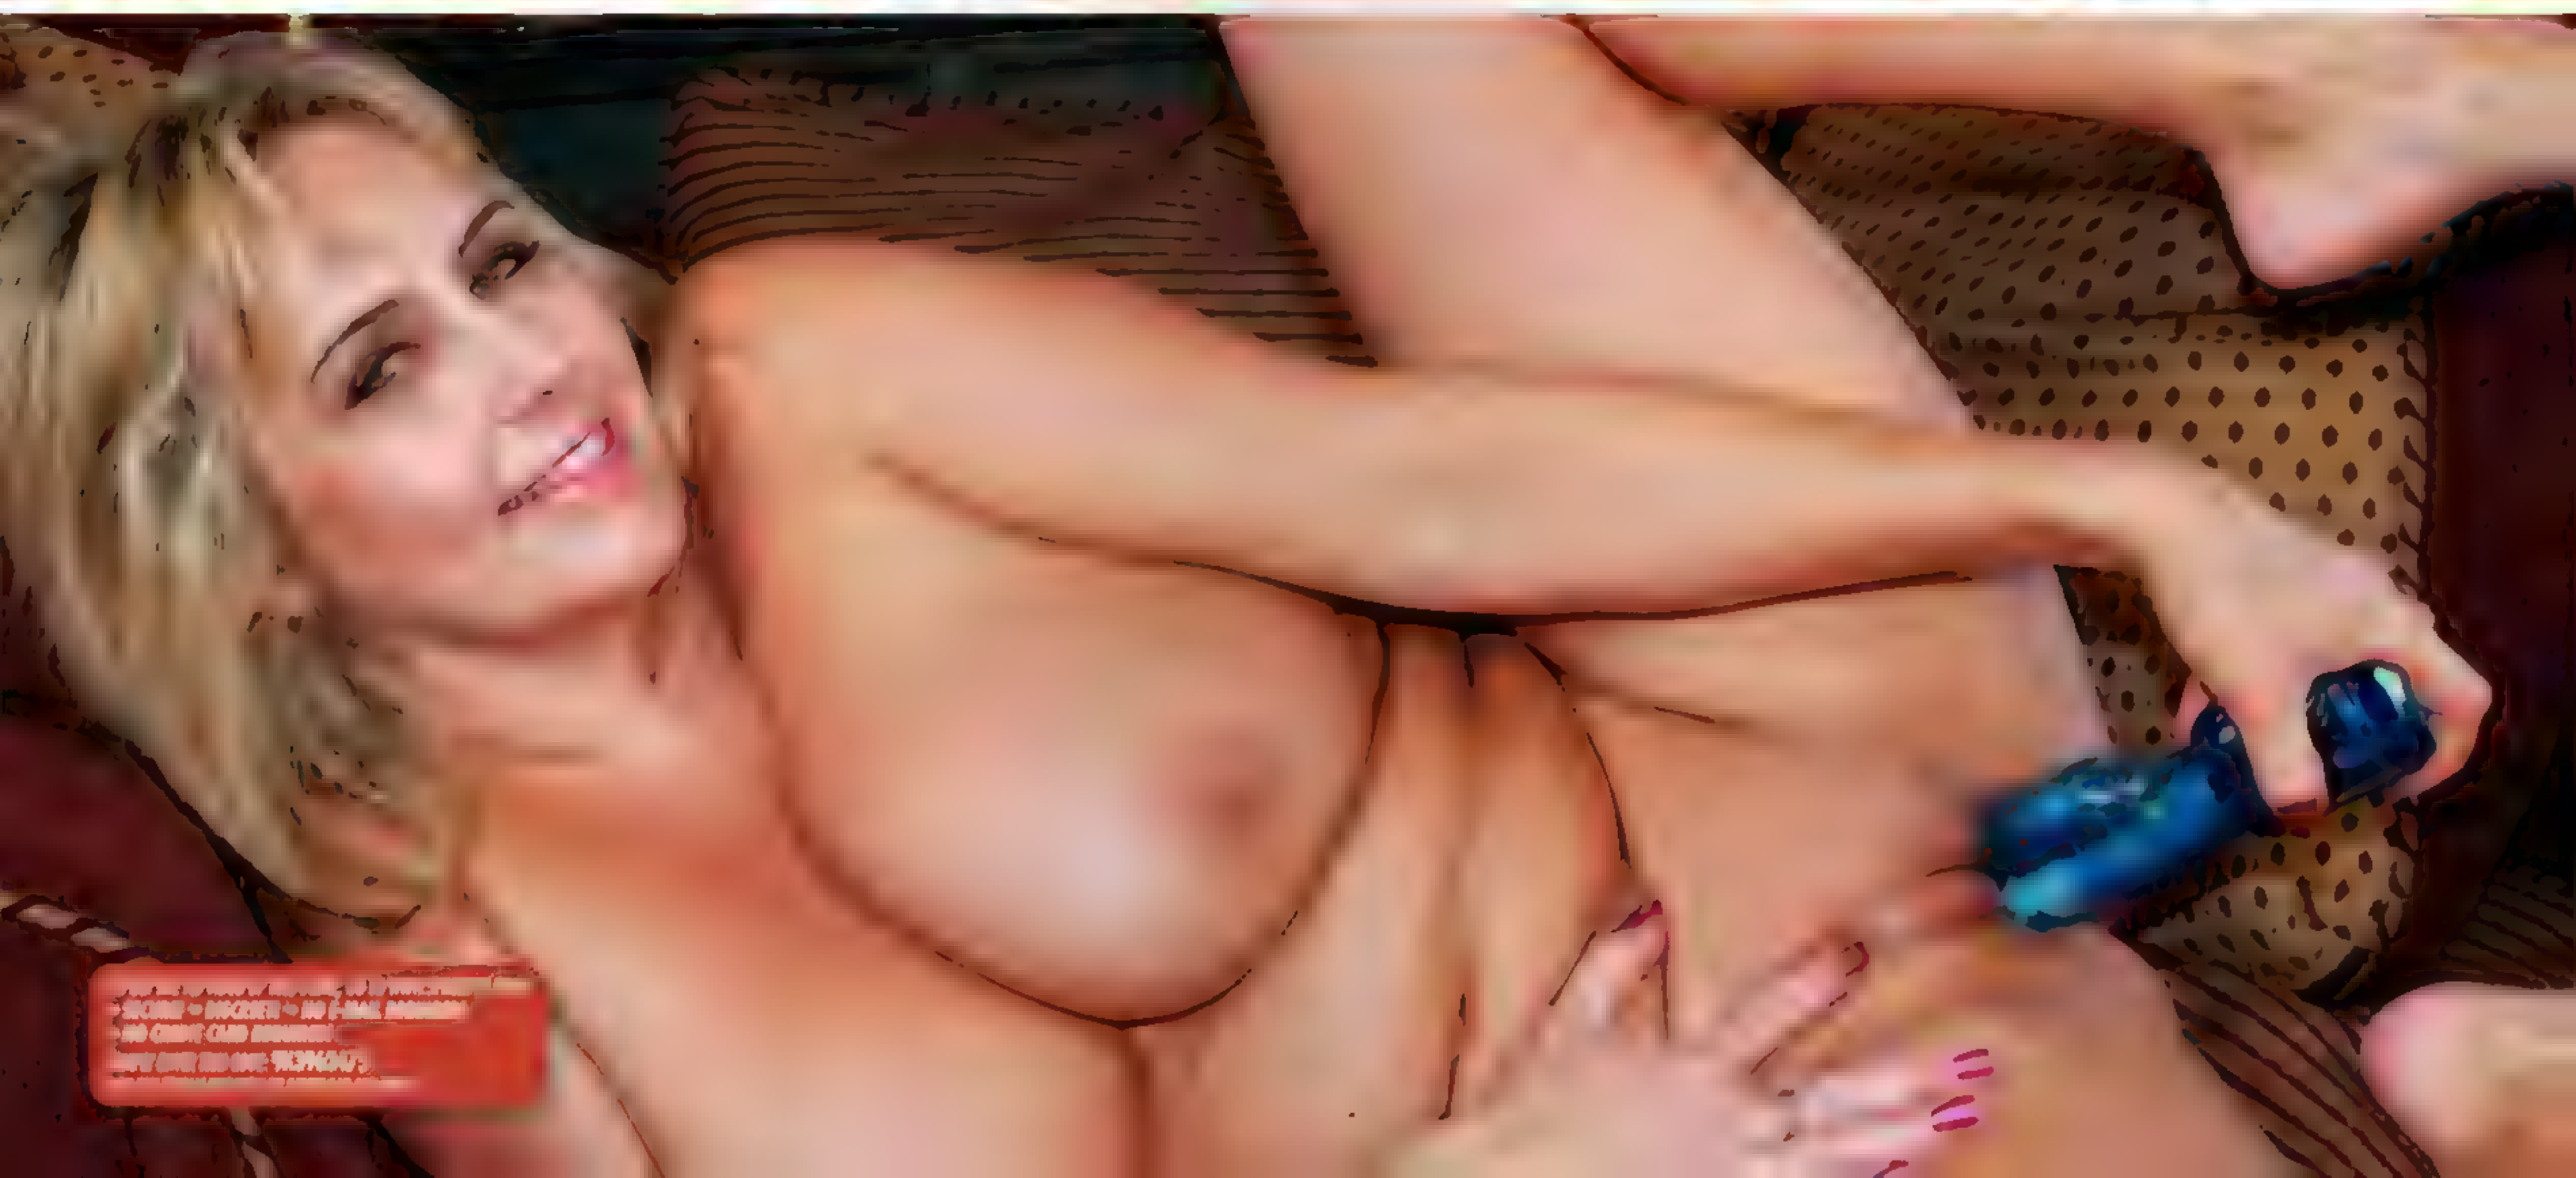

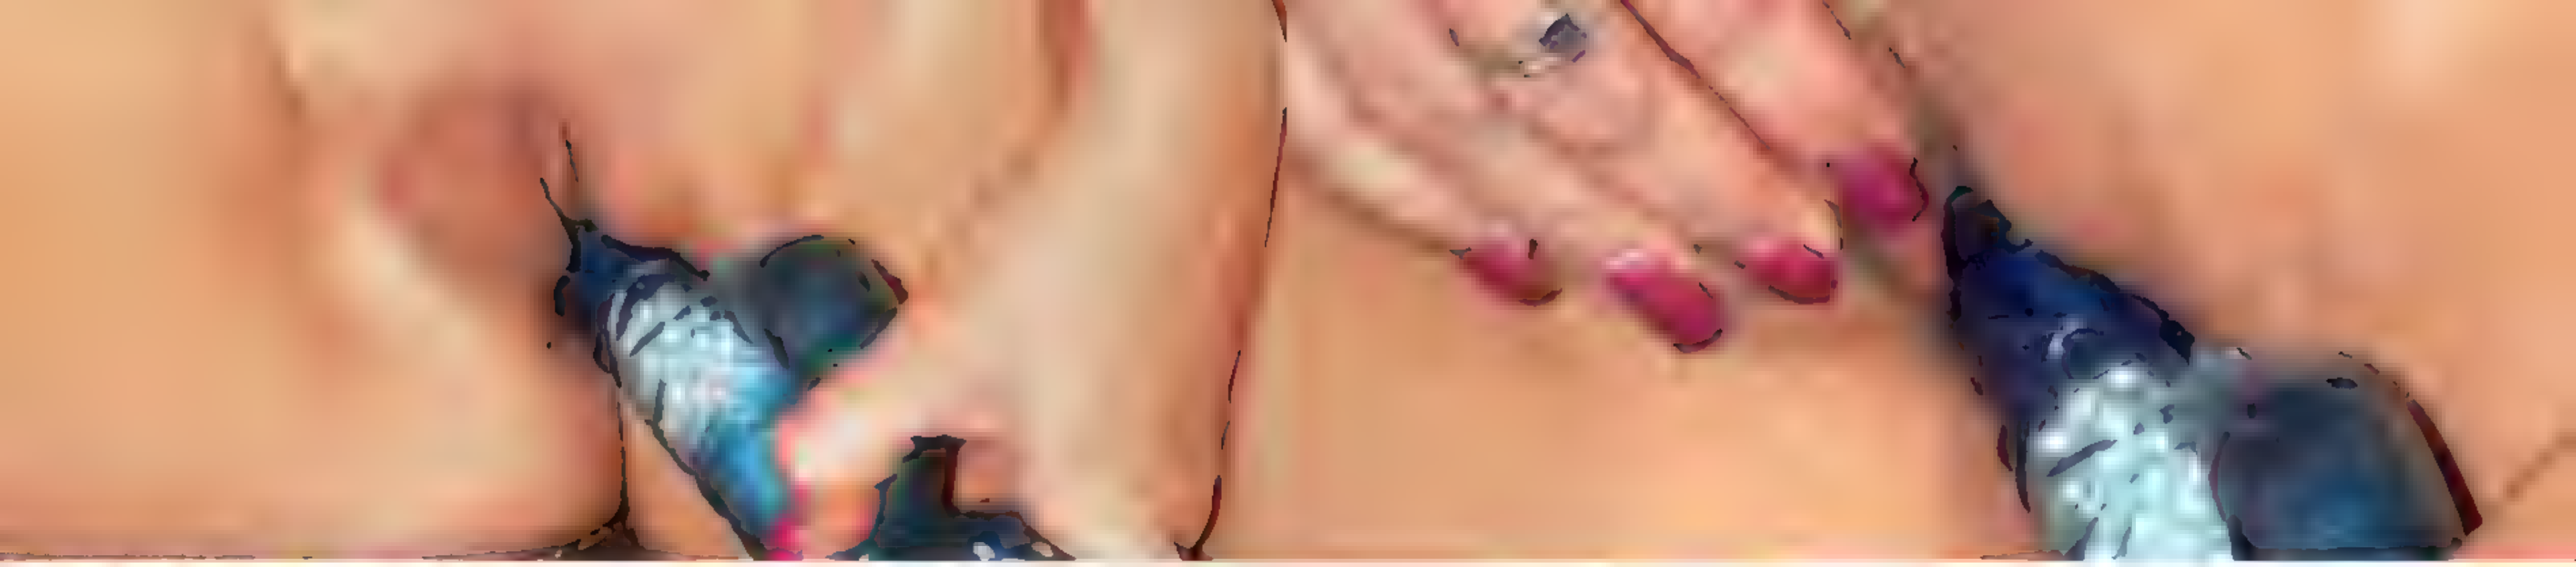

Wanda

I'll drink Harvey up at high and let myself go. Can you hear the buzz?
